## SUMMARY

Our Mission trips to the Dominican Republic are taken in partnership with VisionTrust International. These trips are an opportunity to serve God at a VisionTrust Grace Learning Center (GLC). A GLC is a before and after school program that provides at-risk children, ages 3 to 18, a safe place to meet and experience the love of Jesus. They receive nutritious food, health care, and spiritual mentoring from the VisionTrust staff and from people like YOU who commit to join our team! Our team will offer a Vacation Bible School for the children and light construction at the GLC.

VisionTrust serves over 18,000 of the neediest children in the world, in 207 programs in 17 countries. We are committed to loving, teaching and nurturing these children so that they will one day be transformed into Christians who live for God and love others.

**Who** - We are looking for people who love Jesus. No previous mission experience is necessary. This is not only for those who may believe God is calling them to Latin America, but also for those who would like to take a first trip or a return trip to a region that God has led Faith Bible Church to bless for several years.

Also, there is a need for people to join who speak Spanish as a first or second language.

**Health** - You should be in average to good health.
